ECCLESHALL FESTIVAL

The organisation for the Festival has been in the hands of local organisations or individual members of the community for many years.

The present committee has been responsible for the Festival for over 12 years. Members approached the Eccleshall Parish Council to see if there was any support for the idea of the Parish Council taking it on.

At a meeting of the council this year it was agreed that a new Events committee would be formed, as an umbrella group for the many and various events with which the council is involved. After the 2022 Festival, it is hoped the committee will take on running this event.

A number of community events are arranged by other bodies where the council is involved or takes part. The events committee will coordinate with the various organisers to ensure each event gets the wholehearted support of the Parish Council.

ELECTION OF OFFICERS

At the Council's annual meeting held virtually on Wednesday 5th May 2021 the election took place of the officers of the council. The election for the chairman's role was contested by the current chairman Peter Jones and the current deputy chairman Libby Dale, the result of the ballot was that Councillor Peter Jones was re-elected as the chairman for the next twelve months.

Councillor Libby Dale was re-elected to serve as the deputy chairman.

Councillor Bryan Delanchy was returned unopposed as the chairman of the Planning Committee and Councillor Joy Jones as deputy chairman.

Welcome to our Assistant Parish Clerk

I am delighted to have been recently recruited to provide additional support to the Parish Council and the community of Eccleshall. I became involved with local government as a teenager through Town Twinning, which led me to study for a degree in French and all these years later, I am still in contact with twinning friends in Germany.

I have worked at Surrey County Council and Telford and Wrekin Council, more recently in Transport Planning and Sustainable Travel, working with parents and schools to help set up 'Walking Buses' and encouraging active travel for school children. My interests include visiting art exhibitions and French cinema.

Beverley 'Bee' Partridge

Email : assistantclerkepc@gmail.com

Bee joined the team on Monday 19th April working alongside Parish Clerk Stacey Worden.

PARISH VANDALISM

Living as we do in a quiet country town we hope that everyone loves living here and treats the area with the same respect.

Unfortunately one or two recent acts of vandalism have disturbed the peace and quiet and the Parish Council asks readers for their support and help.

The bus shelter near the island of Sancerre Grange, Stafford Road has had one of the side glass panels broken twice, once following its replacement.

The matters have been reported to the police but we need you to act as our eyes and ears and spot who are the culprits and report them to the police on 101 or by direct message to Staffordshire Police via Twitter or Facebook.

A BYGONE AGE

The Parish Council own two decommissioned red BT phone boxes, located at Fair Oak and Croxton. All over the UK, many have been repurposed for a wide variety of social and community uses such as book exchanges, information points and even planters! Both boxes need refurbishment before they can be used, and a local resident has kindly volunteered to undertake the works on behalf of the PC.

NEW PARISH COUNCILLOR

Councillor Ant Reid

I decided to join the Parish Council after observing it for nearly two years - many of you will have seen my blog and know I've been watching and reporting. The time has come for me to get directly involved with how and why parish decisions are made, and I feel I can help the council by bringing new perspectives and experiences. Having seen some decisions go really well and others flounder and stall, or cause negative reactions, I hope that by becoming part of the conversation I can help shape those decisions to be more robust when implemented. In addition, my experience in the world of digital solutions and content research will help speed up the process of taking ideas from concept to delivery - for example by anticipating risks and issues so we can seek advice from specialists beforehand and build a better plan.

I am a recent convert to the concept of 'failing fast' - how to spot when something is going wrong and to quickly shut it down and move on. All too often public projects seem to 'fail slowly', and I hope that in a small way I can help Eccleshall Parish Council to spot such things early enough to put them right - or abandon bad ideas promptly!

Ant was co-opted to represent the Town Ward in February 2021.

Becoming a Parish Councillor

If you are interested in joining the council at some time in the future, one of the first steps would be to attend some of the Council meetings to see what goes on.

The details of the meeting dates, times etc are available on the Council's website at:

www.eccleshallparishcouncil.co.uk.

Members of the public are welcome to attend and observe council meetings, and can address the members of the council during the **Public Participation** section of the meeting.

Parish Council Elections take place every four years, with the next election taking place in May 2023.

Each year, the parish holds a public meeting so that the members of the community can be informed about the activities of their council and enable them to ask questions.

Due to the Pandemic restrictions it was not as easy as it usually would be.

This year a smaller version of the meeting was held virtually using Zoom technology to enable all of the councillors and members of the public who wished to be involved in the process, with a view to inviting community representatives to a face to face meeting when appropriate to do so.

PHARMACIST RETIRES

Andrew Morrison retired at the end of May 2021 as the town's pharmacist.

Andrew grew up in Stafford, attending King Edward 6th Grammar School, where he pursued his chosen career in Pharmacy. Having attained his degree at Aston University, he completed his registration year at what is now the University Hospital of North Midland in Stoke

and was registered as a pharmacist in 1982

Unsure of his career direction, he joined Boots where he worked at various branches, latterly being in Cannock. He left Boots and worked for an Independent Pharmacy in Stafford and after 8 years he left, moving down south to work for various small chains., where he gained management experience in running a small Pharmacy.

Having moved back to Stafford, he opened Eccleshall Pharmacy in 1993 at the premises where Frank Hudson had his original Pharmacy. He relocated to 11b High Street in 2000 and then to its present location in 2009.

He undertook a Clinical Diploma in Community Pharmacy in 2004 and his Masters Degree in 2005 from Keele University.

He has had a wide experience having worked both as a Practice Pharmacist and also as a member of the South Staffs Professional Executive committee of the local Primary Care Group.

Despite having health issues following a stroke in 2011, he continued to work albeit reduced hours at least 3 days a week.

After 39 years as a pharmacist, 29 of them being in Eccleshall, he feels it is the right time to pass the baton on to another to continue the work.

He is married to Julie, has 3 adult children and is now a grandparent to Samuel, with whom he intends spending more of his free time.

We all hope that you enjoy your well earned retirement!

KEEP ECCLESHALL TIDY

..... *quote from 8 year old Rory, 'This litter picking is so calming'!*

The Keep Eccleshall Tidy (KET) team have been very busy keeping our pavements, seats and signposts clean and tidy. It is also excellent that so many of the team have pledged at least 2 hours to 'The Great British Spring Clean', a nationwide campaign that started on the 29 May and finished on the 13 June. The KET team pledged 74 a total of hours. This equates to 222 miles (3 miles per hour). Thank you to all the team for all the work they have done, not just over the past two week period, but also since August 2020 when the KET team was first formed.

Please see photographs of a few of the team hard at work; clockwise starting from the top left: Murrion McNellan, David Hilton, Tracy Garner, James Graham, Chris and Lesley Wilkins, Jackson Atkins, Sonia Mapp, the U12 Rugby Players, Peter Jones, Craig and Julie Bunn, Stuart Perren and his grandson Archie Hodgkinson.

On a slightly negative note, Eccleshall still has an issue with cigarette butts. These can be found particularly along both sides of the High Street and on the Co-op side of Stafford Street. There are bins readily available into which extinguished butts can be placed and we would urge people to use them when throwing away cigarette ends. Picking up cigarette butts with the litter picking sticks is a challenge and the KET team often have to resort to picking them up by hand. This really isn't fair as it would be so easy for smokers to place them in the nearby bins.

We currently have 14 year old, Murrion McNellan, litter picking for a three month period for an hour a week, to complete the community section of the Duke of Edinburgh Bronze Award. The Parish Council are very keen to help in any way with this excellent scheme and would welcome any young person to the KET team who is working towards this award. We also wish mention 15 year old Jackson Atkins who undertook the Captain Sir Tom Moore Challenge of 100 at the end of April. Jackson picked up 100+ littered items in The Dells. We are so fortunate to have some fantastic young people in our community as the photographs show.

As you can see from these photographs the Parish Council welcome residents of all ages to our wonderful KET team. Litter picking can take place in family groups, couples, individually, with your dog and even in the rain. We would welcome volunteers to our very important community minded team.

Please contact Ros Taylor on ros.taylor@eccleshallparishcouncil.co.uk or 01785 859068 if you would like to volunteer to join the Keep Eccleshall Tidy team.

KEEP BRITAIN TIDY

SPRING IS COMING

KET Team

Thank you for contributing your time to our #MillionMileMission.

You have pledged to litter-pick for **4440 minutes**.

You've contributed **222 miles** towards our #MillionMileMission

These are some of the ways Eccleshall Parish Council is spending money to help the community in 2021-22

£3,000
for provision of
Christmas Trees

£6,300
for pavement
clearance works

£7,500
to invest in new
projects to enhance
community
wellbeing

£6,000
for watering of
hanging baskets
and troughs

£5,000
to support local
community organisations

£2,200
Rights of way
maintenance

£7,500
Strategic planning for the future of the
community - including
new projects and ongoing development of Council
policy

£6,500
Maintenance of public
open spaces
(Eyeswell path,
Bishops Court, Elford Heath,
Croxtan playground,
Copmere picnic site,
Street furniture, pillar clock,
verge cutting, noticeboards)

£1,200 to maintain
speed indication
devices

This infographic is intended to highlight some of the key projects for the current year. A detailed breakdown of the full budget, spending, and income for the current fiscal year is available at: <https://www.eccleshallparishcouncil.co.uk/publications/>
If you want to keep up to date on these projects and more, please follow our FB page and look for opportunities to get involved

SANCERRE GRANGE PLAY AREAS

A new play area designed for our younger children has been opened on the Sancerre Grange estate by the developers Bovis. This complements the play area for older children on the other side of the development. The official opening of both areas were delayed by the pandemic.

Eccleshall Parish Council

Summary Receipts and Payments for Year Ended 31st March 2021

Last Year Ended 31st March 2020		Current Year Ended 31st March 2021

USEFUL CONTACTS

HIGHWAYS

Street lights, pot holes, standing water, footpaths issues and many highway matters can be reported online:-

www.staffordshire.gov.uk/reportit

It is important that residents report issues so that it is logged with an enquiry number and assigned to an County Council officer for inspection and assessment.

General enquiries can be directed to:

highways@staffordshire.gov.uk

The Customer Service Centre can help with issues in logging new reports and providing advice and guidance.

RIGHTS OF WAY

There is a reporting system for issues with the public rights of way, which can be found at:

<https://prow.staffordshire.gov.uk/standardmap.aspx>

BOROUGH COUNCIL

To report problems associated with grass cutting, play areas, fly tipping, street sweeping and name plates:

Street Scene - 01785 619401

Recycling collection - 01785 619402

email: info@staffordbc.gov.uk

Dogs - dog fouling and stray dogs:
01785 619000

Email: dogs@staffordbc.gov.uk

PLANNING 01785 619337

[www.staffordboroughcouncil.co.uk/
planning](http://www.staffordboroughcouncil.co.uk/planning)

HIGH STREET NOTICE BOARD

If you have flyers for any community events that you wish to be posted up on the Parish Council noticeboard in High Street, there is a tray located in I.Tech in Stafford Street where notices can be left or alternatively send a copy to Councillor Peter Jones who will print it and display it on the notice board.

SUSPECT A CRIME?

This is a general reminder to everyone to report any suspicious activity you witness to the **police on 101** at the time of the incident.

Please obtain as much information as you can, i.e. description of person involved, vehicle registration, make and model. If these incidents are not reported immediately the police can take no action.

There is also the option to report a crime via Facebook and Twitter, by sending a direct message. Messages will be logged in the same way as a 101 call, and the service is manned from 7am until midnight.

Please still call 999 if it is an emergency and an urgent response is needed.

**Eccleshall Parish Council website
The website has had a facelift!**

Partners in Parking

In recent surveys of the opinion of the residents of the area, more parking often comes top of the list of things that people want.

In many towns these days finding a convenient parking place is not always easy. We like to park next to the shop that we want to visit and have got used to out of town stores with masses of parking. Eccleshall has a wide variety of town centre businesses that are well worth a visit.

Part of the solution for Eccleshall town centre without its own large shoppers car park was partially solved when the Central England Co-op built the current store and provided it with a large car park.

Shoppers can park free for up to two hours.

The problem for staff who worked in the town centre was not so easily solved. After the free two hours there is a charge for any additional time.

In cooperation with the Co-op,

John James the manager of the Eccleshall Co-op and Peter Jones

Eccleshall Parish Council arranged for ten parking spaces in the Adopt-a-trader scheme which allowed ten traders one space each for their staff without charge.

The spaces are much sought after and the scheme relies on traders to make full use of them. Until the Police Post was sold Councillor Jeremy Part had arranged thirteen spaces on their car park. Of course with the sale of the Police Post the spaces were no longer available. The search for more spaces continues and traders are encouraged to use out of town centre streets for parking, leaving the town centre for shoppers and visitors.

Eccleshall Guide

The Eccleshall Guide is online for all your information about Eccleshall. Guide information can be found at: **www.eccleshallguide.org**

Eccleshall, as everyone knows, lies mostly in the valley of the River Sow. As a consequence, surface water from housing and roads makes its way through the drainage system into the river, and at times of extreme weather this cannot cope with the flow, resulting in flooding, as seen on Stone Road and the town centre. Housing developments over the last 30 or so years have put a further load on the drainage system (part of which is c100 years old), and in recent times, properties and businesses have sustained serious flood damage.

Eccleshall Flood Action Group was formed, with the help of the **National Flood Forum** to identify flood risks within our community, and outlying villages within the Parish, i.e. Slindon which has been affected recently. **EFLAG** membership consists of local residents, some who have experienced flooding first hand, and Parish, Borough and County Councillors. **EFLAG** has given advice to other local flood victims, and also obtained grants for the fitting of flood door barriers in the Stafford Street /High Street area . **EFLAG** is constantly monitoring proposed building development in the area, and the adverse effect it may have on the situation. The work on Stone Road to alleviate flooding by installing additional pipework is ongoing at the time of writing, and should have a considerable effect on reducing the threat to property on this stretch of the highway.

In addition, **EFLAG** is working with various agencies i.e. **Staffordshire County Council Flood Risk Team**, the **Environment Agency**, **Severn Trent Water**, **Staffordshire Highways**, **Sow and Penk Internal Drainage Board** and the **Staffordshire Wildlife Trust**, and is also working to improve the reporting procedure of floods as they occur, to the appropriate bodies.

It has been observed in recent years, that standing water is present on fields and other open spaces, which may indicate that ditches are not fulfilling their function in carrying water away efficiently, resulting in flooding of roads and property.

EFLAG have managed to hold meetings through the latter stages of the Pandemic via Zoom, including a successful 'open forum' attended by numerous residents and outside agencies. A **Facebook** page was set up in February, and has proved a popular method of communication. It is anticipated as Covid 19 restrictions are eased and we move into the Summer months, the Group will be able to carry out more practical work 'in the field' i.e. physical inspection and reporting of obstructed ditches and drainage to the appropriate landowners and agencies.

TREE FELLAS AND THREE LADIES

The overall effect of their work creates a wonderfully sunny outlook to the town centre for many months. The brackets used are tested to ensure that the baskets are secure and in no way endanger the passing public. Prior to this date, volunteers from Amey (Staffordshire County Council contractors) kindly gave their time to install 8 ground anchors for replacement oak posts. The approved new fitting aims to reduce rotting of the oak posts, which was the cause of the replacements.

The Eccelian Society raises the funds each year to pay for the baskets and mangers, many of them are sponsored by local businesses, individuals and organisations, whose support is then acknowledged with a plaque on or near the baskets and mangers. The baskets were obtained from Johnson Hall Nursery.

Watering of the baskets is paid for by Eccleshall Parish Council.

The Society is also responsible for the erection of the Christmas trees complete with lights in the town centre using the same brackets after the baskets have been taken down.

Brian Freeman Chairman of the Eccelian Society and Wendy Baskerville committee member

This is also in partnership with the Parish Council who fund the trees and arrange any licenses and logistics.

Funds are raised each year by the Society with fund raising activities such as a very popular calendar showing sights of the parish, created from local photographs.

Membership of the Ecclian Society is available to anyone with a family fee of £5, the fee not having been raised since the Society started. Contact Richard Egan for further details 01785 851548 email: Richard_john_egan@hotmail.com

The Chairman of the Society is Brian Freeman (01785 851590) and the Secretary is Christine Heelis who can be contacted at 01785 850870.

Open Gardens Weekend 2021

Each year, pandemic permitting, the Eccles Society arranges a weekend of open gardens in the town when local residents throw open their gardens for lovers of gardens to enjoy.

Eleven gardens were available to enjoy on Saturday 19th and Sunday 20 June this year between 10am and 4pm.

The event is arranged and coordinated by Anne and Luke Serjeant and is a fund raising opportunity for the Society's activities in the Parish. Approximately 580 visitors attended the two day event paying £5 for a programme of admission which was on sale outside the High Street library on both days. Funds raised totalled an impressive £3,090.

The Mayor and Mayoress Councillor Tony Nixon and his wife Hazel attended and enjoyed the gardens on the Sunday afternoon.

Further details for future years Open Garden events be obtained from Luke and Anne Serjeant 01785 859439 or email serjeant11@gmail.com

Mrs Myf Freeman, Mayoress Hazel Nixon, Mr. Brian Freeman and Mayor Councillor Tony Nixon

The new allotments sign, erected by the Association on the 17th June.

From left to right: Councillor Stuart Perren, the council's representative on the association, Ron Milne, the association's chairman and Councillor Peter Jones, the Council's chairman.

HIDDEN TREASURE?

Hidden away on Shaws Lane in Eccleshall is the Allotment Association's 65 plot site. Although it has been there for over 40 years the location of it is still a mystery to many residents.

The five acre site is owned by the Parish Council and is managed and operated by the Allotment Association.

Contact Details ~ for information on plot availability email: eccleshallaa@gmail.com

The folk who look after a plot ranges from 80 year olds to youngsters and the success rate for growth varies along with the produce grown. If you fancy your chances get in touch with the association for further details. There is currently a short waiting list, and any plots that become free will be allocated in turn, at a modest annual rent.

PARISH FOOTPATHS

The Footpath Marshals have been hard at work walking their allocation of parish footpaths and reporting issues they have found. This has been especially relevant as the verges and hedgerows have been growing very fast recently. Our Footpaths Maintenance Operative has been dealing with all the issues as they have been reported. The Parish Council is grateful for all the time that the Footpath Marshal team give to this activity.

It is still hoped that we shall be able to convene a stile building team at the end of July. The team will be made up of 3 or 4 volunteers who will be supervised by an employee of the County Council and will completely build and replace stiles that can no longer be repaired.

You may have seen signs, placed on posts by some fields by the NFU. The Parish Council wish to emphasize the concern felt by farmers whose animals are in the fields, about keeping dogs on leads, unless you are chased by cattle, in which case release your dog as the cattle are more likely to chase the dog.

Several residents have expressed concern about the growth of vegetation on footpath 13 that runs from Shaws Lane to the Vicarage end of the Eyeswell (footpath 15). As a public right of way the Parish Council do not have a duty to maintain this particular path. The responsibility ultimately lies with the respective landowners that own the land that the path crosses, and the statutory duty to ensure access lies with the County Council. A large section at the top end (Shaws Lane) of the path is on land owned by Taylor Wimpey. However, since this is a well used route within the parish the Parish Council do fund three cut backs of the vegetation each year to support accessibility of the path, although it is not obliged to do so. The Parish Council is also currently looking to replace the metal gate where footpath 13 intersects with the Eyeswell end of the path, as this gate is corroding.

Some residents have also commented about dog fouling on the Eyeswell (footpath 15). This, again, is a very well used path and it is important to keep it clear for all to enjoy. If you regularly walk along this path with your dog, please be kind enough to pick up any excrement left by your dog. There is a bin at the top of Small Lane, one on Usulwall Close and one at the Vicarage end on the Washpits.

Again may I thank our Footpath Marshals for all their hard work. Please contact Ros Taylor on ros.taylor@eccleshallparishcouncil.co.uk or 01785 859068 if you would like to volunteer to join the Footpath Marshal team.

ECCLESHALL COMMUNITY BAND

Eccleshall Community Band aims to promote music within our community by providing a safe and happy environment where all ages and standards of players from the community can join together and play for the benefit of all local residents.

They undertake performances within the community for everyone to enjoy, and have participated in events including a Singathon in the Community Centre, the Christmas tree festival in Holy Trinity Church, a local Charity Concert, amongst others.

The group provides a mentoring system to introduce music to new players, whereby more experienced players can support others.

Launched on World Music Day, 21st June, a new composition has been written for the band by Martin Jones. The Renaissance is a piece of music that was written to celebrate amateur musicians being able to play together as we come out of the Covid pandemic.

It was written for two bands that have become friends due to the pandemic, despite being separated by 540 miles.

It was premiered in a live performance at Stornaway on the Isle of Lewis, and simultaneously the Eccleshall Band released a video of the piece recorded in the historic setting of Eccleshall Church. The Stornaway performance was also recorded and the performances will be available on YouTube. The Eccleshall recording can be viewed at:

http://www.youtube.com/watch?v=Lv-g7rB_OBA

New members are always welcome - at any level. Eccleshall band can be found on Facebook or please contact eccleshallcommunityband@gmail.com or Hazel on 01785 851 259 or Ruth on 01785 859 908.
